Meet Your New Program Manager!

Hi everyone!

I'm Jaida Young, and I am excited to be your new program manager and thrilled to join this awesome program.

My #1 mission is to improve my own driving skills and help others do the same. Being a new driver can be intimidating but I am here to help! I'm all about spreading the word, having meaningful conversations, and making real change in my community.

Let's make the right choices on and off the road together!

- ### Goals
- for the 25-26 school year
- Grow our school participation across Michigan
 - Make learning about safe driving interactive and real
 - Continue to collect and share the data on the impact of the program
 - Build strong community connections

Wishing you a fun and safe summer. Drive responsibly!
